

# Bubbler Valves

## Model 5017LF

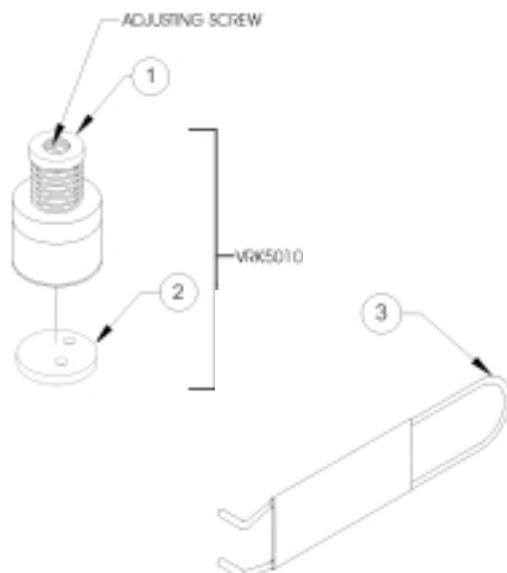

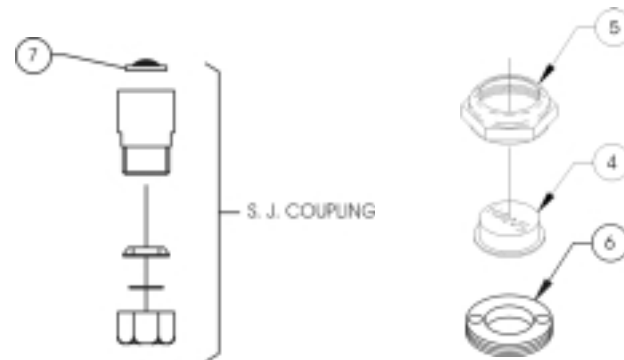

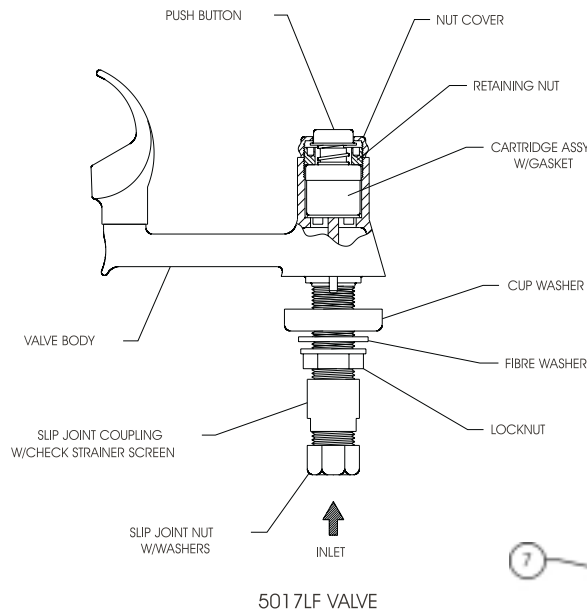

Integral, self-closing, push button valve with adjustable pressure compensation stream regulator. Integral, chrome plated brass basin shank; 1/2" O.D. slip joint supply. Vandal resistant pin prevents turning of fixture. Designed for deck or sink mounting. This valve exceeds the standards of the Safe Drinking Water Act and Lead Contamination Control Act. All components in the waterway contain less than 0.1% lead. Dimensions: bottom of flange to bubbler orifice, 2"; shank length, 2 1/4"; flange diameter, 2"; shank diameter, 13/16".

### Servicing Instructions for Model 5017LF:

If stream height of water is unsatisfactory, remove hex nut (5) and button (4) and adjust stream by turning slotted adjusting screw: clockwise to raise, counter clockwise to lower. If this fails to improve stream replace the cartridge assembly.

### To Replace Cartridge in Model 5017LF:

- ❶ Shut off water supply.
- ❷ Unscrew hex nut.
- ❸ Remove button.
- ❹ Remove retaining nut with wrench.
- ❺ Remove cartridge and gasket.
- ❻ Insert new cartridge and gasket.
- ❼ Reassemble parts in reverse order.
