

# Bubbler Heads

## Model 5701

Lead free, angled, forged brass head with polished chrome plated finish. 1/4" NPT(F) inlet. Dimension height, 3".

Model 5701

## Model 5701SL

Same as Model 5701 except with vandal-resistant mounting slot which is used with special lock washer, included.

## Model 5703M

Lead free, heavy duty, polish chrome plated forged brass head assembly with 3/8" NPS(M) integral basin shank, 11/16" diameter and 1 1/4" long. Dimension height 2 3/4". Assembly includes locknut, washers, .4 GPM flow control spud and compression elbow. 1/4" NPT(F) inlet.

Model 5703M

## Model 5705

Lead free, sculpted, polished chrome plated forged brass head with 3/8" NPS(M) integral basin shank, 11/16" diameter and 3/4" long. Dimension height, 3 1/4". Vandal-resistant mounting includes locknut, washer and pin to prevent turning. 1/4" NPT(F) inlet. Includes replaceable laminar flow insert number 5705LAMIN.

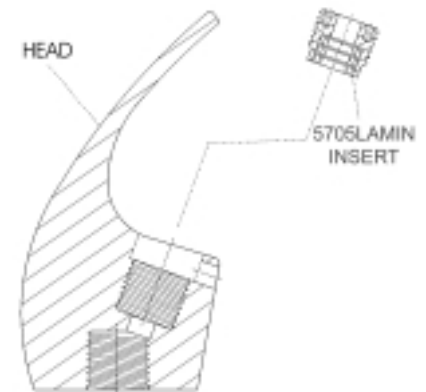

Model 5705

## Model 5705HPB

Similar to Model 5705 except having a high polished brass finish. Includes replaceable laminar flow insert number 5705LAMIN.

## Model 5705F

Similar to Model 5705 except less basin shank. Dimension height, 3 1/4". Includes vandal-resistant pin to prevent turning. 1/4" NPT(F) inlet. Includes replaceable laminar flow insert number 5705LAMIN.

5705F

## Model 5705FR

Similar to Model 5705 but for use on freeze resistant fountains. Uses replaceable non-laminar flow insert # 0003136750

## Model 5720

Polished chrome plated 5701 head assembly includes chrome plated mounting flange with lugs to prevent turning of fixture. Assembly includes 9/16" OD slip joint nut and washers. Also included is a .4 GPM flow control spud with 1/4" OD compression elbow. Parts included allow for easier retro-fit on many styles of older Haws fountains. Inlet is either 1/4" OD, 9/16" OD, or 1/4" NPT(F).

Model 5720

*All bubbler heads on this page exceed the standards of the Safe Drinking Water Act and Lead Contamination Control Act. All components in the waterway contain less than 0.1% lead.*

*Note: For bubbler heads on fountains made before 1985, see information on page 31.*
